Caring: Our way of life.

Welcome To the Homepage of  
Franklin Keyclub!

#### We are Franklin Key Club

Franklin Key Club first started with Mr. Curtis on December 8, 2004, where around 30 or so students gathered. We were officially installed on April 20, 2005. We are sponsored by the Kiwanis Club of Greater Sacramento. During this time, we were a part of Division 7 and our mascot were the bees. Due to the large size, the division split into two, Division 7 North and South. We are now known as the orange monsters and our meetings are held in HKI, with our new advisor Mr. To every Monday. With the growing number of members and service events, Franklin Key Club became what it is today, a community and family.
